

ONTARIO ENERGY BOARD NOTICE

Gunn's Hill LP has applied to the Ontario Energy Board to determine the location of electricity distribution lines within road allowances owned by the Township of Norwich.

Learn More.

Gunn's Hill LP plans to own and operate the Gunn's Hill Wind Farm in the Township of Norwich in Oxford County. As part of the project, Gunn's Hill LP proposes to locate 3.9 km of distribution line within certain road allowances owned by the Township of Norwich. Gunn's Hill LP and the Township of Norwich have not been able to reach agreement regarding the location of the distribution facilities within the road allowances. Gunn's Hill LP is asking the Ontario Energy Board determine the location of the distribution facilities within the municipal road allowances.

A map showing the potentially affected road allowances is provided below.

The OEB is an independent and impartial public agency. It will hold a public hearing to consider Gunn's Hill LP's requests. During this hearing, the OEB will consider evidence and arguments by Gunn's Hill LP, the Township of Norwich and others whose interests would be affected.

The OEB hearing will consider specific issues determined by law. The Electricity Act, 1998 specifies that the OEB is strictly limited to determining the location of the distribution facilities within the road allowances in question. The OEB will not consider alternative locations for the distribution facilities outside of the road allowances or any aspect of the wind generation project in this case.

BE INFORMED

You can read Gunn's Hill LP's application on the OEB's website (See below under "Learn More").

HAVE YOUR SAY

If you would be affected by the location of the distribution line within the municipal road allowance, you may want to take a more active role in the hearing.

- You can send the OEB a letter with your comments, which will be considered during the hearing; or
- You can: ask the OEB for permission to be an active participant in the hearing (an intervenor). Intervenors can provide evidence, argue their positions and submit relevant questions to be answered by Gunn's Hill LP (interrogatories). To be an intervenor, a party must be affected by the location of the distribution line in a way that relates directly to the issues the OEB will consider. If you wish to be an intervenor, the OEB must receive your request by **September 28, 2015**.
